Along the way you will visit historical cities such as Amsterdam, Haarlem, Rotterdam, Leiden and Gouda. You will discover many culturally historic attractions and, more importantly, you will be able to immerse yourself in the heart of this fascinating and very Dutch part of Holland. Also, if you are an art lover, you will enjoy the visits to Leiden, Haarlem and Delft where painters such as Rembrandt, Frans Hals and Vermeer lived and worked. But far from just being about big cities and Dutch history, this tour is also about the picturesque villages and beautiful scenery of the 'green lung' districts of central part and South-Holland province. One thing is certain: by the end of the tour you will not only go home with a new-found appreciation for

bike and barge cruising, but for everything that is Dutch.

For tours, for which Boat Bike Tours is not the organizing tour operator (but the intermediary), and another partner company is the organizing tour operator, other arrangements may apply.

Please note: For safety reasons, it is not allowed to use the rental (e-) bikes for self-arranged rides in Amsterdam: in these cases, the limitation of liability does not apply.

Almost all of the rental bicycles are traditional touring bicycles (women's models) with 7 or 8 gears, hand brakes (some with pedal brake) and pannier bags. E-bikes feature a small electric engine and battery that assist and ease your pedaling, but they do not feature autonomous propulsion. It is like having a tailwind, so it is easier, but you still have to pedal.

Please note: all bicycles have normal pedals, no click pedals. So please wear ordinary sporting shoes. Changing pedals is not possible.

Prices for other rental bicycles, like children's bikes, tandems, trailer bikes (slip streamers), children's seats, and bike trailers are available on request. Guests are also allowed to bring their own bicycles or E-bikes, please let us know so we can reserve a space on board for you.

However, the crew or tour operator is in no way responsible for any damage, loss or theft of such bicycles.
